~ STROMBOLI & CALZONE ~

What is a Stromboli? Calzone?

Stromboli, often referred to as a "stuffed pizza" or a boli, is a turnover filled with mozzarella cheese along with various fillings, often pepperoni. The dough is pizza dough & a Stromboli is cooked in the same way as regular pizza. Strombolis are similar to Calzones, but traditionally the two are distinct dishes, as Stromboli usually contain only mozzarella cheese & marinara sauce inside, whereas a Calzone contains a cheese mixture (often including ricotta) & tend not to have a marinara sauce within them.
